

INSTRUCTIONS FOR COMPLETING FORM PT03

1. This form (PT03) will be furnished by the hatchery, from which chicks or poults were purchased at the time of delivery, this site, or Mr. J.C. Essler's office.
2. Hatchery will also furnish a hatchery invoice and either 1 copy of the NPIP-VS form 9-3 or a Texas Pullorum-Typhoid 02 Form.
3. **County Agent, Vocational Agriculture Teacher or Poultry Superintendent** certifying poultry show entries will fill out this form and return to J.C. Essler 30 days prior to show date. An attached photocopy list or computer list may be attached to the PT03 form. Please indicate "Attached List" under student's name with hatchery source and date of purchase included.
4. All youth planning entries of broilers, capons, or turkeys should be listed on this form. List individual purchases as well as "group" purchases. If a "group" purchase is made, list each person receiving chicks or poults from the "group" purchase. Please indicate by each entry whether it is broiler, capon, or turkey.
5. When the form is completed, send all copies to Mr. Essler's office. All individuals listed on the form will be approved for the particular show named on the form, provided they have purchased poultry from approved sources. All copies of the approved form will then be sent to the appropriate offices.
6. If the chicks or poults from a purchase will be shown at more than 1 show, please complete an additional PT03 form ("Sources of Chicks or Poults Purchased for Broiler, Capon, or Turkey Show Projects" form) for each show in which individuals **may** participate.
